The BIG Project

1 - We've received our grant money and we can now start to rebuild the range. The range will close starting Monday, July 6th and stay closed while the big machines are working.

Construction should last throughout July. Please check the Club website for updates on the work being performed.

2 - Rebuilding the range is expensive. To pay for the work, we have instituted a multi-year plan:

- * We obtained a \$27,500 grant from the Friends of NRA organization.
- * We have upped our membership dues from \$42 to \$84 a year. (starts in October)
- * We are applying for an NRA range grant. *Application due by Aug. 1st.*
- * We are accepting any and all donations that anyone would care to make to the Range Rebuilding Fund.
- * We will continue applying for grants and saving money until the job is done.

3 - Inside this newsletter you will find your membership renewal form for the next Club year. The new Club year will run from Oct. 2009 to Sept. 2010.

You may send in your renewal at any time. You will be required to undergo the yearly safety reorientation session before receiving your key.

Safety reorientations are scheduled as follows:

- * 1st & 3rd Sundays at 1PM at the range starting in August.
- * At all Club business meetings on the 1st Tuesday of each month at 7:30PM at the Pharr Kiwanis Club building at the corner of Bluebonnet and W. Park in Pharr.
- * Aug. 8th and Sept. 12th at 10AM at the range.
- * Look for other potential safety reorientation dates on the website.

We are looking for volunteers to help with the Friends of NRA banquet in October. Send an email.
