# January 2009

At the Club meeting...

We will be presented with the new rebuilding plan for the range.

The safety committee has discussed this extensively. We would greatly appreciate any and all new ideas.

We will also report on our application to the "Friends of the NRA" for a range rebuilding grant.

We will also have our yearly report on Club expenditures and membership.

# February 2009

# Feb

At the Club meeting...

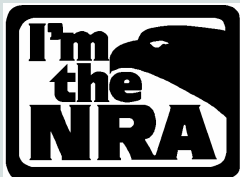

We plan to present an item or two for a vote concerning our new range rebuilding program.

Diagrams will also be presented to lay out the complete plan of action.

We need to have input from the various shooting disciplines on how the new plan might affect their activity.

Any progress on the range grant application will also be reported.

Shoot safely!

At the Club meeting...  
We should have all of the kinks worked out on the range rebuilding program.

A determination will be made on whether or not the Cowboy shooters will continue their matches into April.

Remember, that our yearly election of Club officers is scheduled for May. Any full member may run for any office.
